

Medicare will only be able to pay 91 percent of full costs by 2026. Americans will suffer without essential benefits paid by these programs, despite paying tax dollars towards Social Security and Medicare. Lacking full Medicare benefits, many Americans will not be able to afford crucial medical services. The depiction of these social safety nets poses a great threat to not only current beneficiaries, but all those who may benefit in the future; now, therefore, be it

Resolved by the House of Representatives, That we urge the United States Congress to take action to mitigate the depletion of the Social Security and Medicare Trust Funds; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

POM-100. A resolution adopted by the House of Representatives of the State of Ohio urging the United States Congress and the President of the United States to, with haste, take action to bring home the missionaries who have been taken hostage in Haiti; to the Committee on Foreign Relations.

HOUSE RESOLUTION NO. 147

Whereas, Seventeen missionaries were kidnapped by a gang in Port-au-Prince, Haiti, as they were leaving an orphanage; and

Whereas, Local authorities said the group that was kidnapped included sixteen Americans and one Canadian; and

Whereas, Haiti has been in a state of political upheaval for years, and kidnappings of the rich and poor alike are alarmingly common; and

Whereas, Violence is surging across Port-au-Prince, which is controlled by gangs. By some estimates, gangs now control roughly half of the city; and

Whereas, The kidnappers have released a video threatening to put a bullet in the heads of the hostages, including an eight-month-old baby if their demands are not met; and

Whereas, The fate of the hostages should not be left in the hands of kidnappers who have no regard for human life; and

Whereas, An evaluation of the nation's conscience demands that the federal government use any and all means available to ensure that the seventeen missionaries, who without fault were acting in good faith to help Haitians in need, be brought to safety; now therefore be it

Resolved, That we, the members of the Ohio House of Representatives of the 134th General Assembly of the State of Ohio, urge the United States Congress and the President of the United States, with haste, to take action to bring home the missionaries who have been taken hostage in Haiti; and be it further

Resolved, That the Clerk of the House of Representatives transmit duly authenticated copies of this resolution to the President of the United States, the Secretary of the United States Department of Defense, the President of the United States Senate, the Speaker of the United States House of Representatives, each member of the Ohio congressional delegation, and the news media of Ohio.

POM-101. A resolution adopted by the Senate of the State of Michigan urging the federal government to allow persons under the age of 21 to operate commercial vehicles on interstate routes; to the Committee on Commerce, Science, and Transportation.

SENATE RESOLUTION NO. 89

Whereas, In most states, including Michigan, drivers 18 years and older may obtain a

commercial driver's license (CDL) to operate commercial vehicles within state lines. However, federal regulations prohibit persons under the age of 21 from operating a commercial motor vehicle across state lines; and

Whereas, Since the start of the COVID-19 pandemic, trucking companies have lost between 5% to 15% of their drivers. Age restrictions on interstate trucking has made it more difficult to replace outgoing drivers exacerbating an already tight labor market; and

Whereas, The Developing Responsible Individuals for a Vibrant Economy Act (DRIVE Safe Act) has been introduced in the United States Senate to address the shortage of truck drivers across the country. Introduced in March 2021, the DRIVE Safe Act would direct the U.S. Department of Transportation to create regulations to implement an apprenticeship program for licensed commercial motor vehicle drivers under the age of 21; require apprentice drivers to complete at least 400 hours of on-duty time and 240 hours of driving time with an experienced driver; and require all commercial motor vehicles used in the apprenticeship program to be equipped with safety technology. This legislation would ensure that individuals between the ages of 18 and 21, many of whom are already licensed and driving in their resident states, are trained and available to address the truck driver shortage. Further, the act will create additional career opportunities for young adults at the time they are entering the workforce; Now, therefore, be it

Resolved by the Senate, That we urge the federal government to allow persons under the age of 21 to operate commercial trucks on interstate routes; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States, the Speaker of the United States House of Representatives, the President of the United States Senate, and members of the Michigan congressional delegation.
